Standard Mirror

Regency mirrors reflect the quality that you deserve, large unframed mirrors to run the length of your vanity.

Pivot 2000 is a contemporary clean shower screen. It offers a slimline look and feel and is easy to clean. The Pivot 2000 features a unique handle for ease of entry, magnetic strips to ensure a secure close and a special Dri-Guard water seal.

Standard Pivot 2000 Shower Screen

Wardrobes,  
shower screens,  
mirrors & splashbacks.

In the bathroom where quality is constantly tested, Regency shower screens and mirrors are an investment in durability, style and function. Regency is one of Australia's largest manufacturers of made-to-measure shower screens, and pride themselves on being an innovator in design and providing customers with excellence in quality and service.

## PREMIUM *options*

Glass Splashback

Regency glass splashbacks are available in a wide range of sizes and colours. Regency splashbacks are installed with minimum visible joints. They are strong, durable and easy to clean.
